

Application for Support from The Advocate Tithe

Embracing the Core Values of Compassion, Justice and Transformation, the people of The Advocate seek to engage with the community and world around us, understanding issues and needs and responding with the talents and gifts God has given us. One way we do that is through the Advocate Tithe. Each year, 10% of our pledged and plate offering is given to individuals in need and to organizations that provide for those in need, to individuals who work for compassionate justice, and to organizations that work for compassionate justice.

If you know of an organization that has a financial or other need that might be assisted by our Advocate Tithe, please have this proposal completed and submitted **by email** to **The Advocate Church Office** theadvocatechurch@gmail.com. We will review the proposal and contact you with their decision. Note that priority consideration is given to those organizations and ministries with which people of the Advocate are engaged.
